*We are all your contacts for the league and league information only. If you are wondering what team your child is on, when the next season starts or have questions about your account and payments you can call or email us.

However, if you need information regarding practice times, game schedules, your child's jersey / uniform, your coaches contact information and or anything dealing with the team itself, we ask that you refer to either the team sideline app or the team sideline website from when you registered.

- Game schedules and locations are all listed for the team to see.
- You can also see the other players and parents contact information should you need to use it
- We ask that you please use this app throughout the season.
- Get a group chat going and keep each other in the loop

Coaches should be communicating with you weekly if not daily.

Your team is now your family, and any information can be spread to anyone within the team chat.

Communication is key.

Team Practice

This is an opportunity for you and your child to get familiar with the game of basketball. We ask that you show up for practice ready to be involved and for an hour of dedication.

- 1) Learn skills and drills to better help them succeed
- 2) Coach can get a better feel of the player
- 3) Kids get exercise and structure
- 4) Learn a game plan

Gyms are of use, provided the team is there to solely practice and then leave.

- Do not mess with or damage their property.

- Should we have a school complaint, the team will no longer be able to practice at that facility or any other for the rest of the season.

Schedules

The league's full schedule is out to be seen on Team sideline.

-Again, this can be seen on the website or on the app. Please pay attention to the date, time and

location of where the game(s) are being scheduled. If you drive to the wrong location, there is nothing we can do for you.

Should the schedule change be made, we will inform the coaches first and then email them again through Team sideline. **Your coaches should keep up with that information and game schedules.**

If you have issues with the game and practice schedule, speak with the coach, who will then speak with us.

Note* schedule changes

- All changes will go through team sideline. Should there be a change, you will be notified by email and by the coach of your child's team(s).

- When you receive the email, please pay attention to the time and date. They will be timestamped. This will help you identify what's the newest piece of information.

- Check every Friday night.

- If a team does not show up to a scheduled game, they will get a forfeit and the team there can scrimmage or practice for that hour.

Arriving at the gym (Game Day)

We ask that you show up 30 minutes before your game time starts.

- \$5-dollar fee per person 4yrs and older (Cash or Cashapp)

- CASH APP is an option but there is a \$1.00 service fee

- No PAYPAL / NO ZELLE / NO CHIME / NO VENMO / NO APPLE PAY

- Coaches may be handing out jerseys / relay extra information

- When you arrive, we ask that you remain outside until the current game has ended

There are designated home and away side fan seating areas. When you come in for seating, we ask

that you sit on your respective side for the game. The home team sits on the home side and the away team sits on the away side.

Fan Behavior:

1) This is an environment that's for safety first. (please refrain from being on the court during games) – including injuries.

- No more coming on to the court during timeouts or halftime

- Please watch your children.

2) This is an environment for courage and fun.

- We ask our coaches of your children to display leadership and sportsmanship. We ask the same

of you as parents and players.

- Volunteers are always asked for (score sheet / score board) (various promotional items)

- Know the rules for your child's respective division.

3) You are NOT the coach. You are NOT the official

- No need to speak to the officials or the coach or the players on the other team.

- If you have an issue, you can see one of the league representatives and explain your situation.

In the instance that you as a fan or as a group of fans display any unnecessary behavior while in the gym you may be asked to leave the gym either for the day or for the duration of the league with no refund.

- Any league staff stoppage of play will delay game warning/technical to the coach and team in question.

We hope you all have the best season possible for you, your players, and your team. We have various gifts to present to those of you lucky enough to receive them.
